UEPI ISLAND RESORT

Remote and stunningly beautiful, Uepi is for those who really want to get away from it all. Dive sites along The Uepi Island Passage are an exclusive coral reef ecosystem. The diving is varied with over 10 main dive sites of differing structure and bioassemblage; including shallow (approx. 12m) and deep coral gardens with magnificent drop-offs down to 2000 metres, ledges and gutters featuring an enormous diversity of reef fish, big pelagics and sharks.
